"Secondi Piatti"

Erin Dertner, one of our favorite local artists, will show us how she creates a simple arrangement that works to convey the spirit of those wonderful meals we've all enjoyed. She'll address some basic design principles and show us how she starts her painting. Participants will then use their own props for a still-life setup and get to work. Erin will provide individual attention, a group mid-point evaluation and a final closing critique.

For those of you who may not be familiar with Erin, please visit her website at www.erindertner.com or be amazed by her daily paintings and delightful comments by reading her blog, www.erindertner.blogspot.com.
