PASTELS

Enliven Your Landscapes

WITH

Clark Mitchell

Highly recognized for his “plein-air” work, Clark often uses his field sketches and photographs for studio work, and can turn the most ordinary of photos into a masterpiece. Due to popular demand, he returns to instruct participants to create more vibrant landscapes, and to enhance landscapes from photos. This workshop is limited to 12 students in order for plenty of special attention. Beginners Welcome.

About Clark Mitchell

Clark’s landscapes clearly express his status as a Master in Pastels of the Pastel Society of America. For more about Clark visit www.cgmitchell.com
