

Annual Meeting & Show & Tell & Swap Meet

Don't Miss This! There will be a lot going on. This is our Annual Meeting which means we nominate new Board Members and vote in the 2018 Board. It is also your opportunity to sell unneeded art materials or purchase something you need and benefit the fire survivors. Bring along finger food to share and enjoy the company of your fellow members. Many Gift Certificates will be drawn. See you there!

**431 South Main St
Ukiah**

HOLIDAY *Luncheon*

This was such a great event last year, very personable and great food. Don't miss it this year! Bring a friend or new member. Find the Reservation form on the next page, make your menu choice, and... renew your membership for 2018 all at the same time on the same check... it could not be easier. Well you do need to find an envelope and a stamp... and for me, drive it to a mailbox. Oh well, it is worth it!
