

Expressive Storytelling **WATERCOLOR** with **Jean Warren**

Design principles, color theory, and watercolor techniques will be used to help students discover who we are as artists and how we can visually tell our stories and experiences. Through the creative process of responding to what the paint is doing on the paper, we begin to honor our intuition and discover the deeper meaning of 'why' we paint. Demonstration, individual help and critique/sharing.

May 19

Saturday, 2018
10:00am - 4:00 pm

**Grace Hudson
Museum**
431 S. Main St, Ukiah

FEE

**Members \$75
Non-members \$95**

Limited to 12 Persons

REGISTRATION

**Closes May 5
Cancellation by May 1
for full refund**
