

# Collage Quilting WITH LAURA FOGG

Expect this to be a fun, creative, beginner-friendly workshop. You don't need to have any quilting skills besides basic knowledge of how to do freehand machine quilting on your home sewing machine, nor do you need to be a recognized artist. You will recognize the 'artist within' as you play with fabrics of your choice to create a small collage wall quilt. Laura Fogg is a recognized Mendocino County quilter who has been showing in major quilt exhibits across the country, including Visions and Quilt National.
