MCAA Premier Lecture Series

“Meet the Artist”

Sue Ellen Parkinson

“I experience the creative process as a form of prayer. It is my sanest response to the world. It keeps me whole and connects me to the mystery.” – Sue Ellen Parkinson
Parkinson is a life-long artist and relentless creative.

She lives and teaches in Willits, California.

Parkinson paints historically relevant angels and saints, along with adding her own creative twist. She is also a portrait artist, explores the art of retables, mosaics, furniture, masks, body cast art, portable shrines and murals.
