

OIL PAINTING

WITH

Samantha Buller

Learn to create clean color and confident brushstrokes while painting still life works from life. Paint in your own style allowing for coaching through the process. Following a demonstration, participants will warm up by painting 5 to 6, 20/30/40-minute paintings to loosen up and be more "painterly". Practice the art of letting go, and focus on what you are seeing. The afternoon session will be slower while working on one or two larger still lifes.

Buller was named by Southwest Art Magazine as one of 2013's Young Artists to Watch.
